

Custom, Classic & Otherwise

Awesome Air Pistols!

by Ron Robinson

(6 National Champion titles, 5 National Record certificates, 18 State Champion titles)

93 pages of entertaining airgun reading & color photos, including

A 20 foot-pound PCP revolver that shoots one-inch fifty yard groups.

Customized air pistols that consistently shoot 1/2" groups at 50 yards.

A .50 caliber air pistol capable of medium to large game and varmints.

The 1950s vintage airgun that launched pistol field target competition.

Half-century old air pistols that win State and National Champion titles.

Testing customized air pistols against fine rimfire pistols at 50 yards.

Conversions of air pistols to carbines, air rifles to pistols, Co2 to air, caliber conversions, and ten meter guns for field target/small-game.

Advantages and disadvantages of iron sights, magnifying scopes, and non-magnifying red-dot optics for air pistol applications.

Custom Classic & Otherwise Awesome Air Pistols! carries a
