

Like-New Custom Sauer Air Rifle Suit and Boots for Sale

The boots are a size 41.

I can send you the official measurements I took when I got the suit customized, but **I am 5'6", roughly 130lbs**. If you think it might fit, contact me and I can give you more details or schedule a time to safely have you try them on. I have more pictures I can send if you're interested. I shot competitively for a year, so the gear is very lightly used and still in excellent condition.

Boots: \$100
Suit: \$1,800

I paid \$2,200 for both the boots and the suit new.
