

.177 Crosman Skanaker ten-meter Co2 pistol

7.9gr JSB Express, 65 degrees, 5 shot string	557	566	9	4	560/5.5
7.9gr JSB Express, 80 degrees, 10 shots, after O.H.	589	601	12	6	594/6.2

Kind of a love or hate proposition, Crosman's vintage attempt at a ten-meter pistol flopped badly.
