

2021 TEXTreme AIRGUN Show, Sale & Swap-N-Shop October 17

The 2021 TEXTreme Airgun Show, Sale, and Swap-N-Shop is Sunday, October 17 at the Central Texas Rifle & Pistol Club in China Spring, Texas (just outside Waco). Show time is 9 AM till 5 PM, or as long as there is activity.

From vintage and collectable airguns like you had as a kid (no matter your age), to big-game capable airguns now legal in Texas for deer, antelope, hogs, and turkey, to the finest, most powerful, and accurate airguns capable of one minute-of-angle to 100 yards and beyond, there will be not only all kinds of airguns, but airgun experts, authors, and champions to answer your questions and share their expertises.

4' X 8' exhibit reservations are available to individuals and vendors on a first-come, first-served basis by contacting Ron Robinson at 254-253-1239. However individuals are encouraged to carry in their airgun stuff to sell, buy, and 'horse-trade'. **Y'all come!**
