*Show me, don't tell me!*

## Rules:

This is a pass/fail challenge. One target fits all calibers.

Shoot a three shot group on each bull. Any shot not touching the outer ring is a miss and you fail.

Spring and gas ram rifles must shoot this target outdoors at 25 yards. PCP rifles must shoot this target outdoors at 50 yards. The PCP version is added here in homage to R. Sterne's five dimes challenge. All pistols must shoot outdoors at 15 yards.

Any number of sighters may be shot on the bulls below.
